Following a successful first experience in 2019
with almost **€50,000 raised for the benefit of
rescue at sea**, our association decided to prepare
a second edition for 2024.

This time we asked famous artists to paint on
nautical charts that we gathered from famous
sailors. **We will donate 100% of the profit to sea
rescue actors.**

Embark with us on this amazing adventure!

AN ACTION FROM

FOR THE BENEFIT OF RESCUE AT SEA
